Important information to know about payment for travel expenses

- If you traveled for an Independent Medical Exam, you do not have the correct form for travel reimbursement. Please call the Provider Hotline at 1-800-848-0811 for the correct reimbursement form, F245-224-000.
- You should have approval from your claim manager before you travel. Without approval, you may not be reimbursed for your expenses.
- For medical visits and treatment, travel expense is only payable when you have to travel more than 10 miles one-way from your home to the nearest point of adequate treatment, unless L&I or your self-insured employer requested it. Travel expense is not payable beyond the nearest point of adequate treatment, even if you prefer to seek treatment at another location.
- Travel expenses are not payable when your claim is closed or you are on pension, unless L&I or your self-insured employer requested it.
- Travel expenses are not payable for driving to the pharmacy to get your prescriptions filled.
- We can only reimburse you if we receive your reimbursement form within 12 months from the date you traveled.
